

# How Life Insurance helps financially protect your loved ones

## ➔ Benefits to help promote your financial health

Life can be unpredictable, but you can be prepared for whatever comes your way with benefits that help protect the ones you love from unexpected financial challenges, which may be more important today than ever before.

Life Insurance, issued by **The Prudential Insurance Company of America (Prudential)**, is an important way to help ensure your family is financially secure should anything happen to you. Proceeds from life insurance can help your loved ones with current and future expenses including, salary replacement, mortgage or rent, childcare, debt repayment and college tuition.

**You can depend on Life Insurance.** Regardless of economic market conditions, the value of some insurance benefits from a trusted carrier like Prudential remains steady and consistent.

**It may be more affordable than you think.**

Because your employer's plan offers group rates, this coverage may cost less than insurance you buy on your own.

**You can change coverage to help meet your**

**changing life.** Getting married, buying a new home, or having children means you may need to review your life insurance needs from time to time. If you're earning more money than when you first enrolled for insurance, you may need to increase your coverage, so your loved ones have the resources they need.
